Subject: Energy Efficiency Requirements

E-000005-08-0314; G-000005-08-0314

Dear Commissioners,

I want you to know that I support increasing energy efficiency requirements for utilities, businesses, and homes. The future of our state rests in finding new and more efficient ways to produce energy. As well as improving energy efficiency. You, as Corporation Commissioners, can help Arizona be a leader in renewable energy production and high energy efficiency. Please consider this as you make your decision.

Respectfully,
Ken Davis
